

Fall 2026

Dear Fundraising Distributor,

Here are some updates to share as we prepare for the 2026-2027 school year.

Smencils Are Back to \$1 + Product Updates

The new Fall 2026 8-Page Advertising Brochure is now available. **Smencils pricing for schools will return to \$1**, and distributor pricing will also revert to pre-tariff pricing prior to last year's increase. All products from the previous year's lineup will stay along with some fun additions and updates.

New Items: Smencil Grams are seasonal packs each for Halloween, Holiday, and Valentine's Day. Each pack includes a 26-count of Smencils and coordinating themed cards, making them perfect classroom gifts and easy handouts for students and teachers. Suggested selling price of **\$15 per pack**.

Redesigned Items: Smelly Ballz has been rebranded as Smellyz with two new scents alongside the original Sporty scent. After gaining momentum during the current fidget dough trend, we expanded the Geladough line with newer scents and fun mix-ins.

The updated price list, all forms, and product images will be posted in the **Distributor Portal** and will be fully updated by July 1 on the Scentco Fundraising website. Visit scentcofundraising.com, click on the 'Distributors' tab and under Resource Library Portal, click on the link then enter passcode ScentcoFR14 for full access.

Order Taker Fundraiser: Tootimals & Smillows

We're excited to introduce two fun new opportunities for schools: Tootimals and Smillows! **Tootimals** are hilarious gourmet-scented whoopee cushion animal plush available in 6 fun scents, bringing together collectible characters, humor, and fragrance kids can't get enough of. Samples for Tootimals will be available in October. **Smillows**, a classic fan favorite, are soft scented pillows available in 6 delicious scents and are available for sampling now.

With the suggested selling price of **\$20 each**, both products offer a fun, kid-friendly and giftable fundraiser. The 4-page Tootimals and Smillows flyers are available upon request, and free drop shipping to schools.

Distributor Advertising Brochures

The 8-page Advertising Brochure with order form is available upon request. Add your contact sticker and share with clients as an easy, turnkey way to promote our full product line. Please order in bundles of 50. A digital version is also available in the Distributor Portal under “Brochures.”

Inventory Status

For current product availability, check the **Weekly Inventory Update** under “Forms” in the Distributor Portal. You may also confirm inventory by phone or email.

Residential Delivery vs Commercial Delivery

Please avoid residential deliveries whenever possible. Packages may be left without a signature if no one is available, and we cannot assume responsibility for missing deliveries. Shipping to a school or business address is strongly recommended for added security.
